

Your official invitation:

Automatic enrolment made simple, in 3 easy steps Venue - The Gherkin, London

Introducing Enrolsme, the quick and easy online auto-enrolment solution for small businesses and charities.

Please join Caroline Bateman, our auto-enrolment specialist as she discusses:

- the auto-enrolment challenges faced by small businesses and charities;
- the latest updates from The Pensions Regulator;
- Enrolsme research findings; and
- how you could automatically enrol your workforce into a quality workplace pension scheme in 3 easy steps and in just one day.

During the event there will be a group demonstration of the system. See how, in just a few clicks of your mouse, you could automatically enrol your employees into a quality workplace pension scheme in less than one day.

You will have the opportunity to network whilst taking in the spectacular views at the top of The Gherkin.
