£350 to £400k p/a

Over £400k p/a

Q3: If you are interested in output 2 or 3, would you have a preference between providing one larger additional scheme (in the West of the county), or two smaller additional schemes (one in the East and one in the West)? (This is in addition to the Higgins Walk scheme in Stevenage)

Response:

Q4: If you are interested in output 2 or 3, In your opinion, in what ways can a service provider add value in the build and fit-out stages of a rehabilitation housing scheme?

Response:

Q5: If you are interested in output 2, would you be able to procure and / or develop a scheme(s) by December 2019 from which to provide the additional rehabilitation housing outlined in the PPME documentation?

If not December 2019, when would you expect to have the accommodation ready to deliver the service from?

Response:

--

Q6: In your view, are there any sort of mental health needs that Intensive Enablement Accommodation would not be effective in supporting?

What sort of exclusions or limitations would you expect to see in terms of referrals into such a service?

Response:

--

Q7: In your view, could Intensive Enablement Accommodation be part of a discharge to assess model? If so, how do you feel such a model could work effectively?

How would you contribute to effective patient flow through the intensive enablement service from acute settings and on to more independent living?

Response:

--

Q8: How do you feel step-up, step-down, and crisis beds can most effectively be used within a supported housing model of mental health enablement?

Response:

--

Q8: What after-support do you feel people moving out of an intensive enablement service might benefit from, and do you feel that after-support could effectively be provided from the accommodation service as outreach?

Response:

--
