

# Information about your medicines

**[www.choiceandmedication.org/hertfordshire](http://www.choiceandmedication.org/hertfordshire)**

For people who use mental health services, carers and professionals

Hertfordshire Partnership University NHS Foundation Trust recommended website for unbiased information about medication used in mental health settings. You will find:

**Answers to frequently asked questions on over 100 medicines**

**Answers to frequently asked questions on over 20 common mental health conditions**

**A large selection of leaflets on individual medications available to download and print.**

- PILL: standard leaflet
- QuILL: quick, easy to read, designed for young people
- BILL: basic information leaflet with no waffle
- BILL-XL: large print version
- VERA: very easy-read accessible leaflets suitable for patients with learning disabilities

**Also, fact sheets on:**

- medication and driving
- how medicines work
- pregnancy and perinatal information

*Many available in different languages*
