

Home Care Fire Safety Activity Sheet

Activity 1: Staff Version

Icebreaker - Make a list of the illnesses and disabilities and how you think they could add to making an adult vulnerable to risk of a fire?

Home Care Fire Safety Activity Sheet

Activity 2: Staff Version

In addition to their personal vulnerabilities, in small groups can you come up with any further specific external risks which could cause a fire?

Home Care Fire Safety Activity Sheet

Activity 3: Staff Version

What Issues Would An Individual's Level of Vulnerability Cause in the Event of a Fire?

Blank area for staff to write their response to the question: "What Issues Would An Individual's Level of Vulnerability Cause in the Event of a Fire?"
