

## **Bridging the Gap: Reducing Health Inequalities for People with Learning Disabilities Conference**

**3rd October 2019**

**Hertfordshire Development Centre  
Stevenage**

The conference aims to inform delegates what is happening to ensure people with learning disabilities receive good healthcare within Hertfordshire, as well as assist professionals to recognise their role in reducing health inequalities and skills to make it happen. This conference will be hosted by people with learning disabilities and directed at Health and Social Care professionals.

In addition to hearing from keynote speakers, including people with learning disabilities themselves, there will be a range of workshops including:

- ♦ **Equalities Act and Reasonable Adjustments**
- ♦ **Supporting End of Life**
- ♦ **Avoiding Diagnostic Overshadowing**
