Member's Declaration

By joining this partnership and signing the declaration below my organisation understands that the grant holder is entering into a funding agreement on our behalf and has explained the relevant terms of that funding agreement.

- I confirm that we are an adult social care employer and understand that we are only able to claim for staff and/or volunteers working within this organisation, for whom we have directly incurred costs for the specified learning, before we make a claim for funding.
- I understand that the WDF is a contribution towards the costs of individuals in this organisation achieving relevant qualifications and learning programmes and that if this is combined with any other funding, the total amount claimed will be equal to or less than the total cost incurred in achieving the learning.
- I understand that I need to inform the grant holder of learning achieved and supply any relevant evidence/information that they need to claim the funding.
- I understand that I must keep clear and accurate records to evidence the funding spent and received for a period of six years and that I am required to supply information for audit purposes if requested by Skills for Care, the Department of Health and Social Care or a duly authorised representative working on their behalf.
- I confirm that the evidence we supply in respect of WDF claims will be accurate and reliable.
- I understand that we must fully complete and/or update the required ASC-WDS data on or after 1 April 2022 to be able to access WDF until 31 March 2023 and confirm that the account data will be an accurate reflection of our service(s) and workforce.
- I understand that funding claims for an workplace can only be made through one WDF partnership at any time. If I want to change partnerships I will resign from my existing partnership, complete a member's declaration form for the new partnership and Skills for Care will approve or decline the request.
- I will notify the grant holder if any of my workplaces are no longer eligible to claim WDF
- I understand that if we claim any funds that we are not eligible for then we will have to repay the value of these claims in full to the grant holder.
