- 9.15. The Provider shall seek the consent of each Service User to forward the Service User's records to the Replacement Provider(s) and/or one or more third parties determined by the Council on termination or expiry of the Contract. For the avoidance of doubt, the consent should be sought by the Provider from each Service User during the life of the Contract, but the transfer(s) of these records shall (if required by the Council) be effected by the Provider (at no cost to the Council) as part of the exit and handover arrangements in accordance with clause 38.2.14.

Requests for Information from the Disclosure and Barring Service (DBS)

- 9.16. The Council shall be entitled under its duty to the DBS to respond to requests from the DBS for further information already held by the Council in relation to the Staff.
- 9.17. The Provider shall respond to requests from the Council within a reasonable time about Criminal Records Checks in relation to the Staff and shall cooperate with the Council to enable the Council to comply with its duty to the DBS.
- 9.18. Failure by the Provider to comply with the safeguarding provisions of this clause 9 shall entitle the Council to terminate the Contract in accordance with Clause 37.

10. PROVIDER'S EQUIPMENT

- 10.1. Notwithstanding the provisions of this Clause 10, the Provider shall ensure that throughout the Contract Period it supplies or makes available and maintains in good condition and in working order and within the Prices all such resources and equipment as may be necessary for the proper provision of the Services to the Contract Standard including, without limitation, Staff, labour, machinery, equipment, materials, transport and delivery facilities, consumables, premises, software, hardware and vehicles (the "Provider's Equipment").
- 10.2. The Provider shall ensure that all licence fees, consent fees, maintenance fees and royalties relevant to the provision of the Services are paid and up to date throughout the Contract Period and that the Provider's Equipment is properly maintained and replaced when necessary.
- 10.3. Any vehicles used in the performance of the Contract shall be maintained by the Provider in a safe condition, must be fully insured and must be certified as roadworthy.
- 10.4. Any specialist equipment used in the performance of the Contract shall be maintained by the Provider in accordance with the manufacturer's instructions and must not be used or modified in such a way as to negate or diminish any insurance cover which may relate to the equipment or create an additional risk to users of that equipment.
- 10.5. The Provider shall be responsible for the security, insurance and storage of the Provider's Equipment and the Council shall be under no liability in respect thereof including where the Provider's Equipment is used and/or stored on Council Premises save where any damage or loss is caused to the Provider's Equipment by the acts or omissions of the Council.
- 10.6. The Provider shall ensure that any hired or leased equipment is clearly marked with the name of the hirer or owner or that this information is provided to the Contract Manager.
- 10.7. The Provider shall keep all hazardous Provider's Equipment provided for use by the Provider under proper control and safekeeping and shall ensure that all Provider's Equipment is properly and clearly labelled.
- 10.8. Should the Provider engage, use, or rely upon the equipment or resources of a Fellow Provider or other party then this shall be an arrangement between the Provider and that other party, and the Provider shall be responsible for that equipment or resource as part of the Provider's Equipment and the risk of engaging, using, or relying upon such equipment or resources shall for the purpose of this Contract be entirely the Provider's.

11. USE OF COUNCIL PREMISES/s

- 11.1. The Provider may be permitted access to some of the Council's Premises from time to time in connection with the provision of the Services at the Council's sole discretion. The Council is under no obligation to provide access to the Council Premises. If permitted by the Council, the Provider will use the Council's Premises only in connection with the proper performance of the Services and will ensure that its Staff and Sub-Contractors and agents use the Council Premises, only for such purpose.
- 11.2. The Provider shall ensure that the Council Premises it uses are left clean and tidy at all times.
- 11.3. Access to or use of any of the Council Premises by the Provider or any of its Staff will not create a tenancy of any nature whatsoever in favour of the Provider or its Staff or agents.
- 11.4. The Provider shall vacate the Council Premises on the Expiry Date, earlier termination, or abandonment of this Contract.

- 11.5. The Provider shall ensure that it complies with all Laws relating to the health and safety and welfare of all persons using or employed on or about the Council Premises (including for the avoidance of doubt Service Users and other visitors), including ensuring that all relevant documents relating to the Council Premises are placed in the health and safety file at the same premises and made available at any time to the Council upon request.
- 11.6. In the event that, and to the extent that, the Provider is to provide all or any part of the Services from its own premises, the Provider shall ensure that such premises are safe, secure and suitable for the provision of the Services. Any Council Equipment or Council Data situated at the Provider's premises shall be clearly marked as the property of the Council. The Provider shall afford the Council access upon reasonable notice to inspect the Provider's premises including any security, fire protection and disabled access systems. The Provider shall not provide all or any part of the Services nor store any Council Data at any premises which have not been approved by the Contract Manager.
- 11.7. The Provider shall use the Council Equipment solely in connection with the provision of the Services and shall make good any damage to the Council Equipment caused by the Provider, its Sub-Contractors, Staff, servants, or agents. Any damage shall be remedied by the Provider in accordance with the reasonable instructions of the Contract Manager and all costs incurred in complying with this Clause shall be borne by the Provider. The Provider shall inform the Contract Manager immediately of any act of vandalism or damage to the Council Equipment observed by the Provider or its Staff or Sub-Contractors and the Provider shall use its reasonable endeavours to ensure that the vandalism or damage ceases and to ascertain the identity of the perpetrators and to inform the Contract Manager immediately and the police or fire brigade, if appropriate, of the same.
- 11.8. The Council does not guarantee, warrant or give any assurances as to the age or state of repair or suitability for use in the Service of any item of Council Equipment and the Provider hereby acknowledges that it has carried out its own due diligence including inspections of such equipment and has satisfied itself as to the condition and suitability of each item of such equipment for use in the provision of the Service and accordingly the Provider shall not be relieved from any liability in relation to any failure to provide the Service or any part of it where such failure is caused by a failure in of or the unsuitability of any Council Equipment.
- 11.9. The Provider shall be responsible for the maintenance of the Council Equipment at its own expense except where it is stated in this Contract that any such maintenance shall be carried out at the Council's expense. In such circumstances, and for the avoidance of doubt, the Council shall be entitled to cease to maintain any item of Council Equipment when it considers, in its absolute discretion that such Council Equipment has reached the end of its useful life and is no longer economically viable to maintain.
- 11.10. Unless expressly stated to the contrary in this Contract, the Council shall not be obliged to replace any item of Council Equipment and if it does not replace any such item the Provider shall make such arrangements as are necessary including the provision of Provider's Equipment to provide the Service in accordance with this Contract without the relevant piece of Council Equipment.
- 11.11. The Council's Equipment shall remain the property of the Council and shall be delivered up to the Council at the end of the Contract Period or earlier termination except insofar as it has reached the end of its useful life and has been disposed of. Any item of equipment which was not Council Equipment shall remain the property and responsibility of the Provider or relevant third party and shall not, unless expressly provided to the contrary in the Contract, be delivered up to the Council at the end of the Contract Period.
- 11.12. Please refer to Appendix 4 for Hertfordshire Provision of Community Equipment in Care Homes for further detail and information.

C. FINANCIAL ARRANGEMENTS

12. PRICES AND PAYMENT

- 12.1. Subject to the Provider fulfilling its obligations under the Contract and in consideration of the Provider properly performing the Services, the Council shall pay to the Provider the Price in accordance with this Clause 12 and Schedule 4, which shall be exhaustive of any amounts due to the Provider in respect of its provision of the Services and performance of its obligations under this Contract.

All invoices submitted in arrears by the Provider shall specify the period, the relevant rates and the quantity of service provided to which the invoice relates. Invoices shall be uniquely numbered and shall contain all appropriate references including the official order number and a detailed breakdown of the Services and shall be supported by any other documentation reasonably required to substantiate the invoice.

- 12.2. At the Council's discretion the Price may be paid in the following manner:

- 12.2.1. is payable by the Commissioner's CONTROCC system (or such other similar system as notified to the Provider from time to time) and does not require invoices to be raised. Such payments will be made mid calendar month (part in arrears and part in advance). The Provider shall ring-fence any advance payment for the purposes of the Commissioner. Payment of the Price in accordance with this Clause 12.2.2 shall be reconciled on a regular basis with contract monitoring information provided by the Provider in respect of any IPA or this Contract. If there is any Reserve from the preceding twelve (12) months, the Provider shall at the Commissioner's sole discretion:
- 12.2.2. use such Reserve for the next quarter or quarters within the next twelve (12) months, in which case the Commissioner shall pay the difference between the Reserve and the Price for the next quarter(s);
- 12.2.3. use some or all of the Reserve for re-investment into the Services or any other services as directed by the Commissioner; or
- 12.2.4. return to the Commissioner any of the Price and/or Reserve within thirty (30) calendar days if such sum has not been used in accordance with this Contract.

For the purpose of this Clause 12.2 Providers shall provide such documentary evidence as is specified in this Contract or where no such evidence is specified such evidence as the Commissioner acting reasonably shall specify to confirm and clarify any Price and Services provided.

- 12.3. Payment of the Price shall be made within thirty (30) calendar days of receipt of a correct and undisputed invoice by automated payment mechanism (BACS). Payment is deemed to have been made when the Council transmits payment for processing to its BACS Bureau and the Provider accepts that if a non-working day falls near the transmission of payment, this may extend the period before the payment will arrive in the Provider's account.
- 12.4. In addition to the Provider's obligations under clause 4.4, and in recognition of the Best Value Duty, the Council may request, and the Provider shall provide within ten (10) Working Days, such financial and other information as required by the Council, including a breakdown of its costs, to enable the Council to assess and assure itself that it is receiving value for money (efficiency, effectiveness, and economy) from the Contract. The Provider agrees to co-operate fully and assist the Council at no extra charge in any manner reasonably required by the Council in connection with this clause 12.4.

General Invoicing and Payment Provisions

- 12.5. All invoices submitted by the Provider shall specify the relevant rate or rates and the quantity of service provided during the period or periods to which the invoice relates. Invoices shall be uniquely numbered and shall contain all appropriate references including the Council's official order number and a detailed breakdown of the Mobilisation Services or the Services and shall be supported by any other documentation reasonably required to substantiate the invoice.
- 12.6. The Council will endeavour to identify to the Provider any invoices it disputes and considers to be incorrect (and the reasons why this is the case), in which case the Provider shall submit a replacement correct invoice as soon as practicable. It shall however be the entire responsibility of the Provider to submit a correct and undisputed invoice in a timely fashion in accordance with this Clause 12, and the Council shall bear no responsibility or liability for any losses the Provider may incur as a result of its failure in respect of this responsibility. The Council shall not have any obligation to pay any incorrect or undisputed invoices, in whole or in part under this Clause 12.
- 12.7. The Council may withhold payment of any disputed amount pending agreement or determination of the Provider's entitlement to the disputed amount. The Provider shall not suspend the provision of the Services for failure by the Council to pay disputed charges in connection with this Contract.
- 12.8. In the event of any dispute regarding an invoice which has been notified to the Provider, the Provider shall issue a new invoice for the disputed amount and a new separate invoice for the undisputed amount.
- 12.9. Without prejudice to any other rights or remedies of the Council whether in contract, tort, or under statute, or otherwise, the Council shall be entitled to withhold or reduce, or make deductions from, the Price:
- 12.9.1. pursuant to Clause 36;
 - 12.9.2. where the Provider has been overpaid by the Council by virtue of an error or fraudulent conduct by a Council employee, agent, or Fellow Provider; or
 - 12.9.3. where the Council has suffered financial loss by virtue of the Provider overpaying a third party including, without limitation, where the Provider in the course of carrying out its obligations under the Contract makes an overpayment of salary or makes duplicate credit payments.
- 12.10. Any disputes in relation to whether or not a KPI has been achieved, or in relation to any invoice, payment or reduction may be referred to the Dispute Resolution Procedure as set out in Clause 40.

VAT

- 12.11. All sums payable under this Contract are exclusive of VAT or any tax replacing it.
- 12.12. If this Contract or anything in it gives rise to a taxable supply for Value Added Tax purposes by the Provider to the Council under Law from time to time in force, on the production of a valid Value Added Tax invoice, the Council will pay the Provider a sum equal to that Value Added Tax in addition to the Price or any other consideration.
- 12.13. The Provider shall provide to the Council any information reasonably requested in relation to the amount of VAT chargeable in accordance with this Contract.

12.14. A VAT invoice will not be valid for the purposes of charging VAT if more than forty-eight (48) months have elapsed since the time of supply.

12.15. It is agreed that neither Party shall be liable for any penalties or interest arising from the accounting nor the failure of the other to account to HM Revenue and Customs at the correct time for any VAT correctly due in relation to the consideration referred to in this Clause. The Provider shall be liable to the Council for any losses, costs, expenses the Council incurs as a result of the Provider accounting nor the failure of the other to account to HM Revenue and Customs at the correct time for any VAT correctly due in connection with this Contract.

13. PRICE THROUGHOUT THE CONTRACT PERIOD

13.1 The Price may be reviewed on an annual basis. Such Price review shall be carried out in accordance with Clauses 13.2 to 13.6 (inclusive) if requested by either Party to the Contract.

13.2 The Service Provider may request an adjustment to the Price provided that:

13.2.1 There is a maximum of one (1) request per annum;

13.2.2 Any request is made in writing;

13.2.3 Documentary evidence is presented to support such a request;

13.2.5 The change to Price does not constitute a material change to the Contract.

13.2.6 **NOT USED**

13.3 Any request made under Clause 13.2 must be received by the Contract Manager for consideration at least three (3) months prior to the end of the financial year (31st March). If approved by the Council the adjustment to the Price will come into effect at the beginning of the next financial year (1st April) and will remain fixed for twelve (12) months.

13.4 For the avoidance of doubt no price adjustment requested under Clause 13.2 will be higher than the CPI, or other index agreed by the Parties, unless there are exceptional circumstances which must be supported by documentary evidence subject to the approval of the Council. Adjustments to rates in accordance with movements in CPI or other agreed index may also be deflationary resulting in reduction in rates.

13.5 The Council shall be entitled, acting reasonably, to reject in whole or in part the Provider's request submitted under Clause 13.2 and if the Provider does not accept this decision, it may be referred to the Dispute Resolution Procedure.

13.6 When considering a request under Clause 13.2 the Council will have regard to the following:

13.6.1 The general level of competitiveness of the market at the time of request as any price adjustments agreed during the Contract Period should result in prices equally competitive in the current situation as at the time of tender;

13.6.2 Any Continuous Improvement Plan (**Clause 4.6**) and Efficiency Gain Plan (**Clause 4.10**) which has resulted in decreasing the Provider's running costs in relation to this Contract and has/will result in a price reduction to the Council by no less than 1% per annum year on year.

13.6.3 **NOT USED**

13.7 **NOT USED**

14. RECOVERY OF SUMS DUE

- 14.1. Wherever under this Contract any sum of money is recoverable from or payable by the Provider (including any sum which the Provider is liable to pay to the Council in respect of any breach of this Contract), the Council may deduct that sum from any sum then due, or which at any later time may become due to the Provider under this Contract or any other contract with the Provider.
- 14.2. Any overpayment by the Council to the Provider shall be recoverable by the Council.
- 14.3. The Provider shall make any payments due to the Council without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Provider has obtained the prior written approval of the Council to such deduction.

D. CONTROL OF THIS CONTRACT

15. ASSIGNMENT AND SUBCONTRACTING

- 15.1. The Provider shall not sub-contract the whole of the Services. The Provider shall not sub-contract a part of the Services without the prior written consent of the Council (such consent not to be unreasonably withheld or delayed).
- 15.2. If the Provider should sub-contract the provision of any part of the Services to any person, neither that nor the Council's consent to that sub-contracting under Clause 15.1 above shall relieve the Provider from any liability or obligation under this Contract and the Provider shall be responsible for the acts, defaults or neglect of any Sub-Contractor or agents in all respects as if they were the acts, defaults, or neglect of the Provider.
- 15.3. Where the Council has consented to the use of a Sub-Contractor or Sub-Contractors, such Sub-contract(s) shall reflect the same terms of this Contract and for the avoidance of doubt the Sub-Contract(s) shall not contain any terms which are incompatible and/or conflict with this Contract.
- 15.4. The Council may, as a condition of giving its consent under Clause 15.1 require the Provider to procure from that Sub-Contractor any direct warranties, indemnities or guarantees from that Sub-Contractor in relation to their provision of the Service and performance of their obligations under the Sub-Contract. For the avoidance of doubt, this may also include a requirement for the Sub-Contractor to grant licences or sub-licences in favour of the Council in respect of any land, premises, Intellectual Property Rights, or software which are necessary to provide, or which benefit from the Services.
- 15.5. The Provider shall not be entitled to assign, novate, or otherwise transfer the Contract or its rights and obligations thereunder without the prior written consent of the Council and such consent shall be at the absolute discretion of the Council.
- 15.6. The Provider shall not without the prior written consent of the Council change or replace any Sub-Contractor that it has appointed to provide any part of the Services. Any consent required from the Council in accordance with this Clause may be withheld at the Council's absolute discretion.
- 15.7. Any breach by the Provider of Clauses 15.1 to 15.6 shall constitute a substantial and material breach of Contract by the Provider.
- 15.8. The Council may, in its absolute discretion, novate or assign this Contract or any part thereof and will give written notice of any such novation or assignment to the Provider. This Clause in this Contract executed by the Provider shall stand as the Provider's consent to any such novation or assignment.

- 15.9. In the event the Council consents to any assignment, Sub-Contracting, novation, or other arrangement under this Clause 15, it shall be entitled to require, and the Provider shall pay the reasonable administrative and legal costs to the Council of formalising this change, including without limitation relating to the new contractual relationship between the Council and the Provider or any third party. For the avoidance of doubt, any such costs may be set-off pursuant to Clause 14 from sums due to the Provider.

16. VARIATIONS AND CHANGE CONTROL

- 16.1. Subject to Clause 16.2 no Variation shall be effective unless it is recorded in writing and signed by duly authorised representatives of the Council and the Provider. Neither the Council nor the Provider shall implement a variation other than one which is in accordance with this Clause 16.1.

Council Variations

- 16.2. The Council may by notice in writing to the Provider, from time to time, require minor and/or non-substantial changes to the Services, the way the Services are provided or any of the Contract Documents; such changes shall not be, nor be considered to be a Variation to this Contract nor shall the Prices be affected thereby.
- 16.3. The Council may propose a Variation by giving written notice to the Provider ("the Council Variation Notice").
- 16.4. The Council Variation Notice shall:
- 16.4.1. set out the Variation required in sufficient detail to enable the Provider to calculate and provide an estimate of any adjustment to the Prices in accordance with Clause 16.6 below (the "Estimate");
 - 16.4.2. state the date on or by which the Council wishes the Variation to be implemented.
- 16.5. The Council shall consult with the Provider with respect to the Variation, and the Provider shall provide the Council on or before the date falling ten (10) Working Days after the date of the Council Variation Notice with a reasonable Estimate of the increase or reduction in the Prices (if any), or proposal of other changes to the terms set out herein, which it believes should occur as a result of the changes set out in the Council Variation Notice.

The Estimate

- 16.6. The Estimate shall be accompanied by a reasonably detailed breakdown of the manner in which the Estimate is calculated and shall include details of any redundancy costs which are reasonably expected to be incurred by reason of the proposed change together with any information which the Council may reasonably require including without limitation breakdowns of price and supporting material for the purpose of satisfying the Council that the proposed revised price is fair and reasonable.
- 16.7. To the extent it is possible to do so the Estimate shall be calculated:
- 16.7.1. **NOT USED**
 - 16.7.2. based on rates and prices that represent the market price current at the date on which the Council Variation Notice is issued.
- 16.8. The Estimate shall include a statement of the Provider's opinion on:-
- 16.8.1. any impact on the provision of the Services;
 - 16.8.2. any amendment required to the Contract as a result of the change in the Services; and
 - 16.8.3. any capital expenditure that is required or no longer required as a result of the change in the Services.

- 16.9. As soon as practicable after the Council receives the Estimate, the Parties shall discuss and attempt to agree the issues set out in the Estimate. In such discussions the Council may:
- 16.9.1. agree the Estimate in which case the Variation shall be implemented in accordance with the Council Variation Notice; or
 - 16.9.2. modify the Council Variation Notice in which case the Provider shall as soon as practicable and in any event not more than ten (10) days after receipt of such modification, notify the Council of any consequential changes to the Estimate.
- 16.10. If the Parties cannot agree on the effects and consequences of the Estimate, then the dispute will be resolved in accordance with the Dispute Resolution Procedure.
- 16.11. As soon as practicable after the effects and consequences of the Estimate have been agreed or otherwise determined pursuant to Clause 16.10 the Council shall:
- 16.11.1. confirm in writing the Estimate (as modified); or
 - 16.11.2. withdraw the Council Variation Notice.
- 16.12. If the Council does not confirm in writing the Estimate (as it may have been modified) within twenty (20) days of the Estimate being agreed in accordance with Clause 16.9 or determined pursuant to Clause 16.10 above, then the Council Variation Notice shall be deemed to have been withdrawn.

Provider Variations

- 16.13. If the Provider wishes to introduce a Variation to the Services, it must serve a notice on the Council ("the Provider Variation Notice").
- 16.14. The Provider Variation Notice must:
- 16.14.1. set out the proposed Variation in sufficient detail to enable the Council to evaluate it in full;
 - 16.14.2. specify the Provider's reasons for proposing the Variation;
 - 16.14.3. request the Council to consult with the Provider with a view to deciding whether to agree to the Variation and, if so, what consequential changes the Council requires as a result;
 - 16.14.4. include an Estimate in accordance with Clauses 16.6 and 16.7; and
 - 16.14.5. indicate if there is any date by which a decision by the Council is critical.
- 16.15. As soon as reasonably practicable after the Council receives the Provider Variation Notice the Parties shall meet to discuss the issues in such notice. During such discussions either Party may propose modifications to the proposed Variation.
- 16.16. If the Council accepts the Provider Variation Notice (with or without modification) the relevant Variation shall be implemented by any date specified in the Provider Variation Notice or in the event that it is not practicable for any reason to implement the Variation by such date it shall be implemented by such other date as the Parties acting reasonably may agree.
- 16.17. If the Council rejects the Provider Variation Notice, it shall not be obliged to give its reasons for such a rejection.
- 16.18. Unless the Council's acceptance of the Provider's proposed Variation specifically agrees to an increase in the Prices, there shall be no increase in the Prices as a result of a Variation proposed by the Provider.
- 16.19. If the Variation proposed by the Provider causes or will cause the Provider's costs or those of one of its Sub-Contractors to decrease, there shall be a corresponding decrease in the Prices.

- 16.20. Neither Party shall be entitled to reject any Variation which has been proposed to enable the provision of the Services to conform to a change in law.

17. PERFORMANCE MONITORING AND CONTRACT REVIEW

- 17.1. Contract review meetings will be held between the Provider's Authorised Representative and the Contract Manager at regular intervals specified in advance by the Council and monitoring visits shall also take place in order to monitor the Provider's performance both on this Contract as a whole and against any Performance Targets.
- 17.2. The Council may undertake monitoring visits with other strategic partners including other Eastern Region ADASS Members and Integrated Care Boards (ICB). The Council shall also be entitled to share information on the Provider's performance and other aspects of the Provider's delivery of the Services with other strategic partners.
- 17.3. The Council shall wherever possible provide five (5) Working Days' notice of monitoring visits but reserve the right to make unannounced monitoring visits at any time (in which circumstances the Council shall respect the rights of any Service Users who may be receiving Services at the time of an unannounced visit).
- 17.4. The Provider shall afford all necessary resources and facilities to allow the Council to carry out its contract reviews (including procuring the attendance of the Provider's Authorised Representatives at such meetings), monitoring visits (including PAMMS Assessments) and any further reasonable methods which the Council undertakes to assess the Provider's performance and contract compliance. The Provider shall provide all reasonable cooperation, facilitation and information required at no additional cost to the Council.
- 17.5. The Provider shall monitor and report to the Council its performance against any Performance Targets and provide all information required therein in the format required. This includes the requirement for the Provider to use PAMMS to prepare and update Actions Plans in Clause 36.
- 17.6. The Council shall be entitled to make deductions or other adjustments to the Contract Price as a consequence of the Provider's performance against the Performance Targets and as provided for in the Performance Mechanism.
- 17.7. The Council may elect, at its own cost, to undertake its own performance monitoring at any stage for any purpose, including in order to ensure that the Services are being provided in accordance with this Contract. The Provider will use its reasonable endeavours to assist the Council in such an exercise. The Council shall notify the Provider of the outcome of the performance monitoring exercise, and (without prejudice to the Council's other rights under this Contract) the Provider shall have due regard to the Council's findings in relation to the future provision of the Services.

18. INTELLECTUAL PROPERTY RIGHTS

- 18.1. The Provider hereby expressly acknowledges that the Council alone has (subject to such third-party rights as may at any time be notified to the Provider by the Council) exclusive ownership and ultimate control of:
- 18.1.1. the format and content of the documentation comprising the Contract;
 - 18.1.2. the Council's logos, insignia, and letter heads;
 - 18.1.3. Council Data however and wherever stored and processed by the Provider; and
 - 18.1.4. any Intellectual Property Rights pertaining to any of the above.

(Collectively the "Property Rights").

- 18.2. Any goodwill pertaining to or arising from the use of the Property Rights shall at all times ensure and accrue to the exclusive benefit of the Council absolutely.
- 18.3. The Provider shall at the request of the Council promptly execute such documents and take or desist from such action as the Council may require in order to assure to the Council the full benefit of its Property Rights and/or to confirm the Council's title thereto.
- 18.4. The Council hereby licences the Provider to use the Property Rights solely:
 - 18.4.1. to the extent and upon the terms provided by this Contract; and
 - 18.4.2. for the purposes of performing the Services for the Council.
- 18.5. The Provider shall notify the Council on becoming aware of:
 - 18.5.1. any information prejudicial to, and/or actual, threatened, or suspected complaint or proceedings brought by any third party (including, without limitation, by any user or recipient of the Services) in any way connected with the Services and relating to the Council, the Provider or its Sub-Contractors or any Fellow Provider; or
 - 18.5.2. any actual, threatened, attempted, or suspected infringement by any third party of any of the Property Rights including (without limitation) any seizure of or other interference with Council Data (an "Infringement").
- 18.6. The Provider shall use its best endeavours to assist, co-operate with and follow the instructions of the Council in relation to any Infringement, including (without limitation) in protecting and/or defending the Property Rights against any infringing party and, at the Council's request or the request of the Council's insurers, the Provider shall entrust the conduct of any proceedings in relation to any such Infringement to the Council.
- 18.7. Save for any Pre-Existing Intellectual Property Rights owned by the Provider, all Intellectual Property Rights in any data, reports, drawings, specifications, plans, software, designs, inventions and/or other material produced or developed by the Provider in connection with provision of the Services shall vest in and be the property of the Council and the Provider hereby assigns all such Intellectual Property Rights to the Council provided that in the event that any such Intellectual Property Rights do not vest in the Council by operation of law, the Provider shall execute or cause to be executed, including by any employee or agent of its any and all deeds, documents and acts required to assign such Intellectual Property Rights to the Council.
- 18.8. Neither Party shall acquire Pre-Existing IPR Rights of the other Party.
- 18.9. Subject to clause 18.8, the Provider shall grant the Council a fully paid-up, royalty-free non-exclusive licence to use the Provider's logos and insignia in relation to the Services, including the promotion and reporting thereof.

Intellectual Property Rights Indemnity

- 18.10. The Provider warrants, undertakes and represents to the Council that:
 - 18.10.1. it has not given and will not give permission to any third party to use any of the material to which Clause 18.1 relates nor any of the Intellectual Property Rights in such material; and
 - 18.10.2. neither the provision of the Services by the Provider nor its receipt by the Council will infringe the Intellectual Property Rights of any third party.
- 18.11. The Provider agrees to indemnify the Council and keep it indemnified at all times against all or any costs, claims, damages or expenses incurred by the Council, or for which the Council may become liable, with respect to any claim by any third party that their Intellectual Property Rights have been infringed by the provision of the Services or anything supplied, created or done by the Provider in connection with such provision.

- 18.12. The Provider waives any moral rights in relation to any materials it creates in connection with the provision of the Services to which it is now or may at any future time be entitled under Chapter IV of the Copyright Designs and Patents Act 1988 or any similar provisions of law in any jurisdiction, including (but without limitation) the right to be identified, the right of integrity and the right against false attribution, and agrees not to institute, support, maintain or permit any action or claim to the effect that any treatment, exploitation or use of such material or other materials, infringes the Provider's moral rights.

- 33.4. If the Force Majeure continues for more than twenty-one (21) days, the Council shall be entitled to terminate this Contract under Clause 37.

36. DEFAULTS AND REMEDIES

Remedies Available to the Provider:

Interest

- 36.1. In the event that any undisputed invoice correctly rendered by the Provider remains unpaid by the Council after thirty (30) days the Provider shall notify the Council in writing giving the Council fifteen (15) further calendar days to pay such an invoice. If the invoice remains unpaid, the Provider shall be entitled to charge interest from the date on which the fifteen (15) day period expired at a rate of two per cent (2%) above the base lending rate published by the Bank of England. The Parties agree that this Clause constitutes a substantial remedy for the purposes of the Late Payments of Commercial Debts (Interest) Act 1998.

Relief from Liability

- 36.2. The Provider shall not be liable to the Council for a Performance Default to the extent that it is directly caused by a breach of contract by the Council or Fellow Provider provided that the Provider has notified the Council in writing as soon as it has come to the Provider's attention that such an event has or will occur.

Termination by Provider

- 36.3. Without prejudice to the Provider's rights pursuant to this Clause 36, if the Council commits a repudiatory breach of contract, the Provider shall be entitled to terminate the Contract by notice in writing provided it first notifies the Council in writing of the breach of contract, stating its intention to issue a termination notice and giving the Council a period to remedy the breach, such period being reasonable in the circumstances and, in any event not less than twenty (20) Working Days or such other longer period as may be reasonable in the circumstances having regard to the nature and effect of the breach. If the Council remedies the breach within such period, the Provider shall not be entitled to accept the repudiation and/or terminate the Contract.

Remedies available to the Council:

- 36.4. For the avoidance of any doubt, the following remedies set out in Clause 36.5 through 36.16 shall be without prejudice to the other rights and remedies of the Council.

Performance Defaults

- 36.5. In the event of a Performance Default the Council shall issue a Default Notice to the Provider which shall state on its face whether, in the reasonable opinion of the Contract Manager, the Performance Default is either a Critical Performance Default or Non-Critical Performance Default. For the avoidance of doubt, a single Default Notice covering more than one Performance Default may be issued validly under this Cause 36.5 and further a PAMMS Assessment finding of “poor” for the Provider is a Critical Performance Default and a finding of “requires improvement” is a Non-Critical Performance Default and this Clause 36 shall be applied accordingly.
- 36.6. If the Provider disputes whether a Performance Default is a Critical Performance Default, the matter shall be referred to the Dispute Resolution Procedure and if the dispute remains unresolved, to the Courts.

Critical Performance Defaults

- 36.7. In the event that a Default Notice states that a Performance Default is a Critical Performance Default, it shall also state how and by when the Provider, at its own expense, shall remedy, make good or mitigate the Performance Default. Such action and time period shall be fair, reasonable and commensurate with the nature of the Critical Performance Default and the effect that such Critical Performance Default had or continues to have on the provision of the Services and the services provided by Fellow Providers. For the avoidance of doubt in the event that a Provider receives an overall rating of ‘poor’ following a PAMMS assessment the report published in the Provider Portal shall be considered to be a Default Notice as issued by the Council under Clause 36.5.
- 36.8. On receipt of a Default Notice stating that the Performance Default is a Critical Performance Default or following a PAMMS assessment where the Provider receives an overall rating of ‘poor’ the Provider shall take the action required by the Default Notice / PAMMS report at its own cost and expense within the time period set out in the Default Notice and/or the PAMMS report and as agreed in any subsequent Action Plan. The Provider shall, in addition, attend a meeting with the Contract Manager to discuss the Performance Default and the Provider shall give an assurance in writing to the Contract Manager.
- 36.9. If the Provider considers that the time and/or measures stated in the Default Notice to remedy, make good or mitigate a Critical Performance Default are unreasonable or impossible to comply with, the Provider shall notify the Contract Manager within twenty-four (24) hours of receipt of the Default Notice and the Parties shall attend a meeting at a chief officer and director level to discuss the matter and to agree a time period in which and measures by which the Critical Performance Default shall be remedied, made good or mitigated. Thereafter, if unresolved, the matter shall be referred to the Dispute Resolution Procedure that the Critical Performance Default shall be remedied, made good or mitigated within the time scale set out in the Default Notice.
- 36.10. If the Provider fails to remedy a Critical Performance Default within the time period set out in the Default Notice (or subsequently agreed or determined), or in the case of a PAMMS assessment and poor rating fails to submit a sufficiently robust Action Plan via the Provider Portal within ten (10) working days then the Council may serve a Warning Notice in accordance with Clause 36.14 below.

Non-Critical Performance Defaults

- 36.11. If a non-critical default has been identified the Provider will follow one of the two processes as set out below:

Non-Critical Defaults identified via a PAMMS Assessment

- 36.11.1. Following a PAMMS assessment where a Provider is rated 'requires improvement', the Provider shall prepare a plan (an "Action Plan") using the PAMMS Provider Portal, and in accordance with 36.11.2, setting out the steps which the Provider shall take to ensure that each area identified within the PAMMS report as either requires improvement and / or poor ("Performance Default") is remedied, and does not occur again. The Provider shall set out the reasonable timescale within which the Action Plan shall be implemented identifying who shall be responsible for each of the action(s). The Provider shall prepare and submit the Action Plan via the PAMMS Portal to the Council within ten (10) Working Days of the report being published on the Provider's Portal, or such other time limit as specified by the Council.
- 36.11.2. The Action Plan for both Critical and Non-Critical Performance Defaults identified following a PAMMS assessment shall be submitted to the Contract Manager for his approval via PAMMS. The Contract Manager shall be entitled to specify and make amendments to the Action Plan which the Provider shall incorporate. If the amendments required are significant, then the Provider shall pay to the Council the reasonable costs of preparation of any such amendments made by the Council or the costs of preparation of the Action Plan itself or any parts of it in the event that the Action Plan is not submitted (or only submitted partially) by the Provider within the timescale specified by the Council. The Provider shall implement the approved Action Plan and performance by the Provider will be monitored and measured in accordance with the Action Plan by both parties via PAMMS.

Or;

36.12. Any other non-critical Performance Default:

- 36.12.1. If a Default Notice states that a Performance Default is a Non-Critical Performance Default ('Non-Critical Default Notice'), the Provider shall, if requested to do so, prepare a plan (an "Action Plan") setting out the steps which the Provider shall take to ensure that the Performance Default is remedied, and does not occur again, and the reasonable timescale within which the Action Plan shall be implemented. The Provider shall prepare and submit the Action Plan to the Council within ten (10) Working Days, or such other time limit as specified by the Council, of receipt of the Default Notice.
- 36.12.2. The Action Plan for Critical Performance Defaults and Non-Critical Performance Defaults shall be submitted to the Contract Manager for his approval which shall not be unreasonably withheld or delayed. The Contract Manager shall be entitled to specify amendments to the Action Plan which the Provider shall incorporate. The Provider shall pay to the Council the costs of preparation of any such amendments made by the Council or the costs of preparation of the Action Plan itself or any parts of it in the event that the Action Plan is not submitted (or only submitted partially) by the Provider within the timescale specified by the Council. The Provider shall implement the approved Action Plan and performance by the Provider will be monitored and measured in accordance with the Action Plan by both parties.

- 36.13. Failure to submit or comply with an Action Plan shall constitute a Critical Performance Default for the purposes of this Clause 36. The only exception to this is in respect of

PAMMS Assessments which identifies certain non-compliances by a provider with an Action Plan as a Non-Critical Performance Default. In the event of any doubt, inconsistency, or conflict then the Council (acting reasonably) shall at its absolute discretion have the final say in respect of whether any non-compliance by the Provider with an Action Plan shall constitute a Critical Performance Default or a Non-Critical Performance Default.

Escalation

36.14. If:

36.14.1. the Provider fails to remedy a Non-Critical Performance Default in accordance with an Action Plan;

36.14.2. the Provider fails to remedy a Critical Performance Default in accordance with the Default Notice ('Critical Default Notice') or as subsequently agreed or determined;

36.14.3. any Critical Performance Default having been remedied, occurs again; or

36.14.4. two (2) or more Critical Default Notices; eight (8) Non-Critical Default Notices or one (1) Critical Default Notice and four (4) Non-Critical Default Notices (in each case not necessarily relating to the same breach or failure) have been issued to the Provider in any continuous six (6) month period;

then the Contract Manager shall be entitled to serve a warning notice (a "Warning Notice") on the Provider. The Warning Notice shall state on its face that it is a Warning Notice and shall set out the measures which the Contract Manager requires the Provider to take to ensure that the Performance Default(s) are remedied, do not occur again and the time scales within which the Provider is to effect such measures. The Provider shall comply with the terms of the Warning Notice.

36.15. In the event that the Contract Manager serves more than two (2) Warning Notices within any continuous twelve (12) months period or the Provider fails to remedy a Warning Notice within the specified timescales, the Council shall be entitled to terminate the Contract in whole or in part in accordance with the provisions of Clause 37 ("Termination").

Other Remedies

36.16. In addition to the matters set out above, if the Provider commits a Performance Default (whether a Critical Performance Default or Non-Critical Performance Default) the Council shall be entitled, without prejudice to any of its rights or remedies whether in contract, tort or under statute or otherwise, to take all or any of the following measures:

36.16.1. withhold any further payments or instalments of the Price until the Provider has remedied, or mitigated the Performance Default as stated in a Default Notice or Warning Notice;

36.16.2. require the Provider to suspend performing the Services (whether in full or in part) without compensation until the Provider has remedied or mitigated the Performance Default as stated in a Default Notice or Warning Notice;

36.16.3. stop entering into any new Individual Placements for Service Users with the Provider until satisfactory resolution of the Performance Default in accordance with this Clause 36;

36.16.4. terminate existing Individual Placements of Service Users with the Provider either permanently or temporarily until satisfactory resolution of

the Performance Default in accordance with this Clause 36 where, in the sole opinion of the Council, it is most appropriate for the care of the Service User to do so;

36.16.5. deduct from any future payment to the Provider or from any future instalment of the Price or recover as a debt due any reasonable, justifiable, and demonstrable losses, costs and expenses of the Council or any Fellow Provider suffered directly as a result of the Provider's Performance Default together with an administration charge of ten per cent (10%) of such sum or sums. If there is any dispute between the Council and the Provider as to the amount of such deduction, the matter shall be referred to the Dispute Resolution Procedure; and

36.16.6. remedy the Performance Default itself or engage a third party to do so and to recover from the Provider by way of deduction from the Price or otherwise the reasonable cost that the Council incurs in so doing.

Liquidated Damages – NOT USED

36.17. **NOT USED**

37.2.3. if an express right to terminate has arisen under Clause 36;

37.2.4. if the Provider:

37.2.4.1. ceases to carry on the whole or a substantial part of its business or disposes of the whole or a substantial part of its assets which in the reasonable opinion of the Council would adversely affect the delivery of the Services;

- 37.2.4.7. fulfils those conditions under the Performance Mechanism which entitle the Council to terminate the Contract;

- 37.3. If the Contract is determined in part, the Price shall be adjusted to reflect fairly the Services which remain and if the Parties are unable to agree such adjustment, the matter shall be referred to the Dispute Resolution Procedure. For the avoidance of doubt the Provider shall not be entitled to recover through the adjusted Price any profit that, but for the termination, would have accrued to the Provider in respect of the terminated Services.
- 37.4. The rights of the Council under this Clause 37 and Clause 38 below are in addition and without prejudice to any right that either Party may have for prior breach and to any right the Council may have against the Provider for the breach, default, negligence, or event leading to the termination.
- 37.5. The remedies of the Council under this Clause (and Clause 38 below) may be exercised successively in respect of any one or more defaults by the Provider.

- 37.6. In the event that this Contract is subject to a bona fide and substantive legal challenge of any nature relating to the process by which the Provider was awarded this Contract (a "Legal Challenge"), then the Parties shall co-operate in good faith to determine the best way to mitigate the impact of the Legal Challenge, which may include varying some or all of the Contract and/or terminating the Contract in whole or in part.
- 37.7. In the event that this Contract is declared ineffective by a court of competent jurisdiction:

37.11.2. Upon written notice by the Council to terminate this Contract and/or any Individual Placement, the Provider shall continue to provide the Services in accordance with the terms of the Contract and/or any Individual Placement for as much time as is reasonably necessary for the Services to be transferred back to the Council or to a third party and for the Council Data in respect of that Service User to be successfully migrated to the Council's System or the systems of a third party. The Provider shall give all such assistance as is reasonably required by the Council and third party to ensure a smooth, successful, and seamless transition of the Services and conversion and migration of the Council Data. Insofar as such assistance is required after the Contract has expired, the Council shall pay the Provider's reasonable costs and expenses (the Council shall not pay should the Contract have been terminated in accordance with Clause 37).

38. CONSEQUENCES OF TERMINATION

38.1. If the Contract expires or is terminated in accordance with Clause 37, the provisions of this Clause 38 and the Exit Plan shall apply.

38.2. Notwithstanding the provisions of the Exit Plan, upon termination or expiry:

38.2.1. the Provider shall forthwith cease to provide the Services (subject to clause 4.16);

For the avoidance of doubt, this material identified by this Clause shall be in an identifiable and searchable format (and include metadata) and in such form and medium as the Council may reasonably request;
- 38.2.9. the Council shall immediately cease to be under any obligation to make further payment to the Provider until the costs, loss and/or damage to the Council resulting from or arising out of the termination shall have been calculated;
- 38.2.10. the Council shall have the option to purchase at book value any of the assets or equipment used by the Provider solely in performance of its obligations under this Contract. Where the Council wishes to exercise this option, it shall notify the Provider in writing accordingly not less than twenty (20) Working Days following the date on which this Contract expires or is terminated;
- 38.2.11. the Provider shall promptly pay in full the cost of providing the Service or having the Service provided or any part thereof as would have been provided by the Provider during the remainder of the Contract Period to the extent that such cost exceeds such sums as would have been lawfully payable to the Provider for providing the Services if the termination is due to an act, omission, default, negligence or breach of the Provider or any of its Staff;
- 38.2.12. the Provider shall continue to make the Provider's System available to the Council for as much time as is reasonably necessary for the Services to be transferred back to the Council or to a third party and for the Council Data to be successfully migrated to the Council's System or the systems of one or more third parties. The Provider shall give all such assistance as is reasonably required by the Council and its Service Users to ensure a smooth, successful, and seamless transition of the Services and Service Users and conversion and migration of the Council Data. Insofar as such assistance is required after the Contract has expired, the Council shall pay the Provider's reasonable costs and expenses (the Council shall not

For the avoidance of doubt, the Provider's compliance with the provisions of this Clause shall include, inter alia, assistance by the Staff, access to the Provider's System and the provision of information and documentation;

38.2.13. if the Contract expires or is terminated early for any reason, the Provider shall immediately repay to the Council the full amount pre-paid by the Council in respect of the unexpired portion of the Contract and;

38.2.14. at the Council's written request, the Provider shall transfer the Service User records to the Replacement Provider(s) and/or one or more third parties as determined by the Council; such transfer may be in whole or in part, howsoever determined by the Council and;

38.2.15. the Council shall be entitled to give written notice to the Provider in accordance with its right under clause 4.16 and the Provider shall comply with such notice.

38.3. If the Provider is unable or fails to provide the Services or any part thereof in accordance with this Contract, the Council may itself provide or may employ and pay other persons to provide the Services or any part thereof and all costs incurred thereby may be deducted from any sums due to the Provider under the Contract or shall be recoverable from the Provider by the Council as a debt. The Council's right under this Clause 38.3 shall be without prejudice to any other rights or remedies which it may possess.

38.4. The Council shall be entitled in respect of any loss or damage to the Council resulting from or arising out of the termination of the Contract, to deduct the same from any sum or sums which would but for Clause 37 have been due from the Council to the Provider under the Contract or any other contract or be entitled to recover the same from the Provider as a debt. Such loss or damage shall include the reasonable costs to the Council of the time spent by its officers in terminating the Contract and in making alternative arrangements for the provision of the Services or any part thereof when the total costs, loss and/or damage resulting or arising out of the termination of the Contract have been calculated and after taking into account any deduction made or to be made by the Council from any sum or sums which would but for Clause 37 have been due to the Provider, any balance shown as due to the Council shall be recoverable as a debt or alternatively, the Council, subject to Clause 14, shall pay the Provider any balance due to the Provider;

38.5. Expiry or earlier termination of this Contract shall not affect the continuing rights and obligations of the Parties under Clauses 1, 2, 5, 8.21, 14, 18, 20, 21, 23, 24, 25, 31, 32, 37, 38 and 39 or under any other provision of this Contract that is expressed to survive expiry or termination or is required to give effect to expiry or termination or the consequences of such expiry or termination.

38.6. When the total costs, loss and/or damage resulting from or arising out of such termination as is referred to in this Clause 38 have been calculated and deducted so far as practicable from any sum or sums which would but for Clause 38 have been due to the Provider, any balance shown as due to the Council shall be recoverable as a debt, or alternatively, the Council shall pay to the Provider any balance shown as due to the Provider.

39. EXIT AND HANDOVER ARRANGEMENTS

39.1. On expiry or termination of this Contract the Exit Plan shall apply and the parties shall comply with the provisions of the Exit Plan. The Provider shall not charge the Council or any Replacement Providers for any expenditure incurred howsoever in carrying out the handover arrangements as set out in this Clause 39 and the Exit Plan on expiry or earlier
